Stage 1: Test cases
by Vandana Agarwal . - Sunday, 26 February 2023, 5:02 PM

test_cases (stage_1).zip

The test cases are uploaded for your reference (please refer the attached file).

The details are as follows:

- **t1.txt: For testing lexical analyzer output**
- **t2.txt : Syntactically Correct**
- **t3.txt : Syntactically Correct**
- **t4.txt : Syntactically Correct**
- **t5.txt : Syntactically Correct**
- **t6(with_syntax_errors).txt : With Errors**

Inform me of any discrepancy or syntactic error found in the test cases 2-5 immediately.

Any other error left out from mentioning in the test case 6 should also be informed to me.

Ensure that you report all errors line number wise.
